From: Michael La'Don GARRISON

Concerning: Kiaros .

I've had an experience that I feel the world deserves to experience because without a shadow of doubt there's a lot of hurting people in these prison. Kiaros is uplifting, encouraging, caring and full of God's love & God's people. We need Kiaros programs in every prison and every community across the face of the world. In doing so people will learn how to see themselves in difference through the leadership of the Kiaros program. Please allow this program to flourish & blossom because we need things like this to change the face of prison & the world. I'm a new creature in ~~the~~ Christ thanks to God & Kiaros.

Thank you for these most few days that I spent here in Kairos because I ~~learned~~ learned so much more about our lord god than what I knew and it brought me more closer to our Father God.

DEAR FRIEND,

I WILL BE LEAVING PRISON AT THE END OF THIS YEAR AFTER 25 YEARS. THIS WEEKEND WAS THE ICING ON THE CAKE BEFORE MY RELEASE. I HAVE LEARNED A NEW WORD "AGAPE". I WILL BE TAKING IT WITH ME & GIVING IT TO SOMEONE ELSE. I ALSO LEARNED FORGIVENESS OF MY-SELF & OTHERS. I THANK GOD FOR USING YOU TO BLESS OUR LIVES. MY GOD BLESS YOU AND CONTINUE TO ALLOW YOU TO BLESS OTHERS.

Dear Sponsor

Greetings and God Bless... This weekend has been the most inspirational step in my life. I've been filled with so much pain in my life and you have made it possible for me to be cleansed of that pain. You've helped me to be forgiven of my trespass. As I've forgiven those who have trespassed against me. I encourage everyone who is lonely, lost, scared or just isn't sure about themselves please attend a KAIROS WALK.

DEAR SPONSOR-

The past few days have been such a huge blessing to me, it is hard to relay my feelings about it.

"Thank you" just doesn't seem to cover it all, but thank you anyway. I am so grateful for you making it possible for me to experience this Kairos walk. I sincerely hope that God will bless you in some huge way for your kindness and generosity.

I've been in prison 22 years and these last few days were the highlight of these last decades I've been away. There is simply nothing else like Kairos!

SINCERELY-

Dear Sponsor,

I want to thank you for sponsoring the KAIROS weekend here at the Lyone Unit in Huntsville.

It was really a blessing to me and it opened my eyes to the love of GOD. I never knew so many people cared about us. I got to meet some wonderful people.

I feel like I'm a part of a family I never knew were there. I was just amazed at the whole process. I was inspired to really put in effort in joining this if I'm blessed with relief in the time I have to do.

I love you and May GOD bless you continuously.

your brother in  
Christ.

Dear Sponsor,

I cant begin to show my gratitude for this weekend. Most of the world has forgotten or doesnt care about us or what happens inside these walls. To show kindness to men in prison is amazing. This weekend has changed my life for the better and it is only throu the power of Jesus Christ that my heart was able to be changed. From the depths of my soul Thank you!

Sincerely,

This Kairos 2<sup>#</sup> was a blessing to me. As a born again christian, I came to hear a word from God about a special prayer on my parents.

As I went through this Kairos God begin to minister to me, showing me that my family is the body of Christ and that my parents, siblings are in His hands.

So I receive God's love to me and my family. And my prayers are that He sends me home to my parents, this year 2015 in Jesus Christ mighty name. amen

God bless all of God's People that helped put this Kairos 2<sup>#</sup> together. And may He continue to move in everybodys lives in Jesus Christ mighty name. amen

I Thank God for the opportunity to ~~to~~ have been a part of the Wynne #2 Kairos Weekend. I was getting weary in doing good, it was as if God was not seeing my good deeds or hearing any of my prayers.

I also felt as though things were not going well for me because of the not so Christian acts. But after this weekend I realize I was wrong. I now realize God "was" with me all along, He was hearing all my prayers and that ~~is~~ when I was weak, He was strong. I now have a renewed zeal of spreading the Gospel and that I am making a difference in people's lives. I especially needed the Prayer Circle when everyone went around and prayed for the members in our family. To hear what other's think about you was so touching to me I will never forget what was said

Thank You For This Opportunity

It has really made a difference in my future. Love Ya's Kevin Burns

Thank you for blessing me with these wonderful gifts... My experience this weekend filled my heart with sooooo much love and sense of joy... I know this weekend would of not been possible without your help, your extra love, and compassion... I hope one day we can meet, to personally thank you for my awesome weekend... You are one of the main reasons for my special time, but the Jesus in you, made all of this possible for all of us in here... Even though, you dont judge me as the rest of the world thank you for loving me when the rest of the world persecutes me for a poor choice I made 22 years ago... May Gods love always be with and bless your whole families -

Your Brother in Cristo,

Once again, thank you kindly and dearly. God keep you close and may He bless you and anoint you with His Holy Spirit in all you do.

of stone turn to flesh! Praise

To my Brother/Sister in Christ:

I just want to thank you so much for all the time, money, & energy that you donated to make this weekend possible. You can't know how much this whole experience has changed my life. I lost my mother on February 12<sup>th</sup> of this year, & was in a really dark place in my life. There was a point where I had lost hope in not only life, but word I lost it in God! This weekend here helped pull me out of that deep, dark, angry, resentful place I was at in my life. So even though you don't know me & may never meet me, you have helped save me. You helped to keep me believing in something greater than that pain, hate, & heart ache I had grown to love. So I really thank you from the bottom of my heart for everything you have done & will continue to do. I pray that God will continue to bless you & your family & you will keep being a beacon of light for the ones who have fallen into darkness. Thank you & God bless you...

Raymond Christian;

To you who loved me during this wonderful weekend with our KAIROS family.

Thanks for your time support whether spiritually or financially.

Your love was reached, it penetrated these walls of barb wire fences.

I came with unforgiveness toward a few brothers in here, but after this walk I have had shackles removed and will let it go. I forgive them completely. I am pleased to be a Christian and all I want to do is walk and live in the LOVE of Christ Our Lord.

You bros. and sis. are awesome, too, I thought for a long time that we in here weren't remembered nor loved by you Christians in the Free-World - but our God has proven me wrong once again.
